

MICROSOFT CAMPUS AGREEMENT

Home Use Agreement

I will be using one or more of the products included in the MS Campus Agreement at home. I understand that the software may ONLY be installed on COLLEGE-OWNED MACHINES. I am aware of all implications of this use and will abide by all conditions as stated in the Microsoft Campus Agreement (full text of agreement is on file in the Library.)

Check products you will be using:

- Ⓢ *Microsoft Windows 2000 Professional Upgrade*
- Ⓢ *Microsoft Windows XP Professional*
- Ⓢ *Microsoft Office 2000*
- Ⓢ *Microsoft Office XP*
- Ⓢ *Microsoft Front Page 2000*
- Ⓢ *Microsoft Publisher 2000*

These products are available by request from the ITS Help Desk. Home users should be aware that anyone wishing to install a product on their home PC should make sure it is at least a Win98 operating system with enough resources to support the product. You need to be comfortable installing the software yourself because the Help Desk will provide only minimal support for home users. Users will be asked to provide the asset tag number of their home computer as well as confirm their intention to adhere to all the contract provisions and the Framingham State's acceptable use policy.
